Bangalore

Pay of Officers. The excess represents the pay of the Income-tax Officer for March 1932 and his leave salary for April to July 1932 for which no provision was made in the budget.

Pay of Establishment. The excess is due to the entertainment of temporary additional establishment in connection with the extra work involved on account of the lowering of the taxable income and revision of establishment.

Bengal

Pay of Officers. The excess is due to the reduction of Commissioner's original estimates by Rs 2,000 and also to the expenditure on account of Commissioner's transit pay.

Other small excess do not call for remarks.
